Introduction

Vetter UK is an award-winning specialist stone contractor undertaking the design, supply and installation of high quality facades, floors, internal fit-out, urban landscaping, restoration and conservation throughout the UK.

We pride ourselves in being the first-choice contractor for all stakeholders for the professional delivery of all works. Our commitment to clients and the projects we work on all embed the core values of health and safety, quality of service, professional advice, competent project management and a positive, problem-solving ideology.

The company works across all sectors, with a dedicated team of industry professionals including in-house design, technical expertise, cost management, project management and a directly employed, trusted and highly skilled workforce.

For over 150 years, Vetter UK has been the name behind some of the most prestigious landmark projects across the UK. As a company, we are built on strong business foundations and great professional expertise.

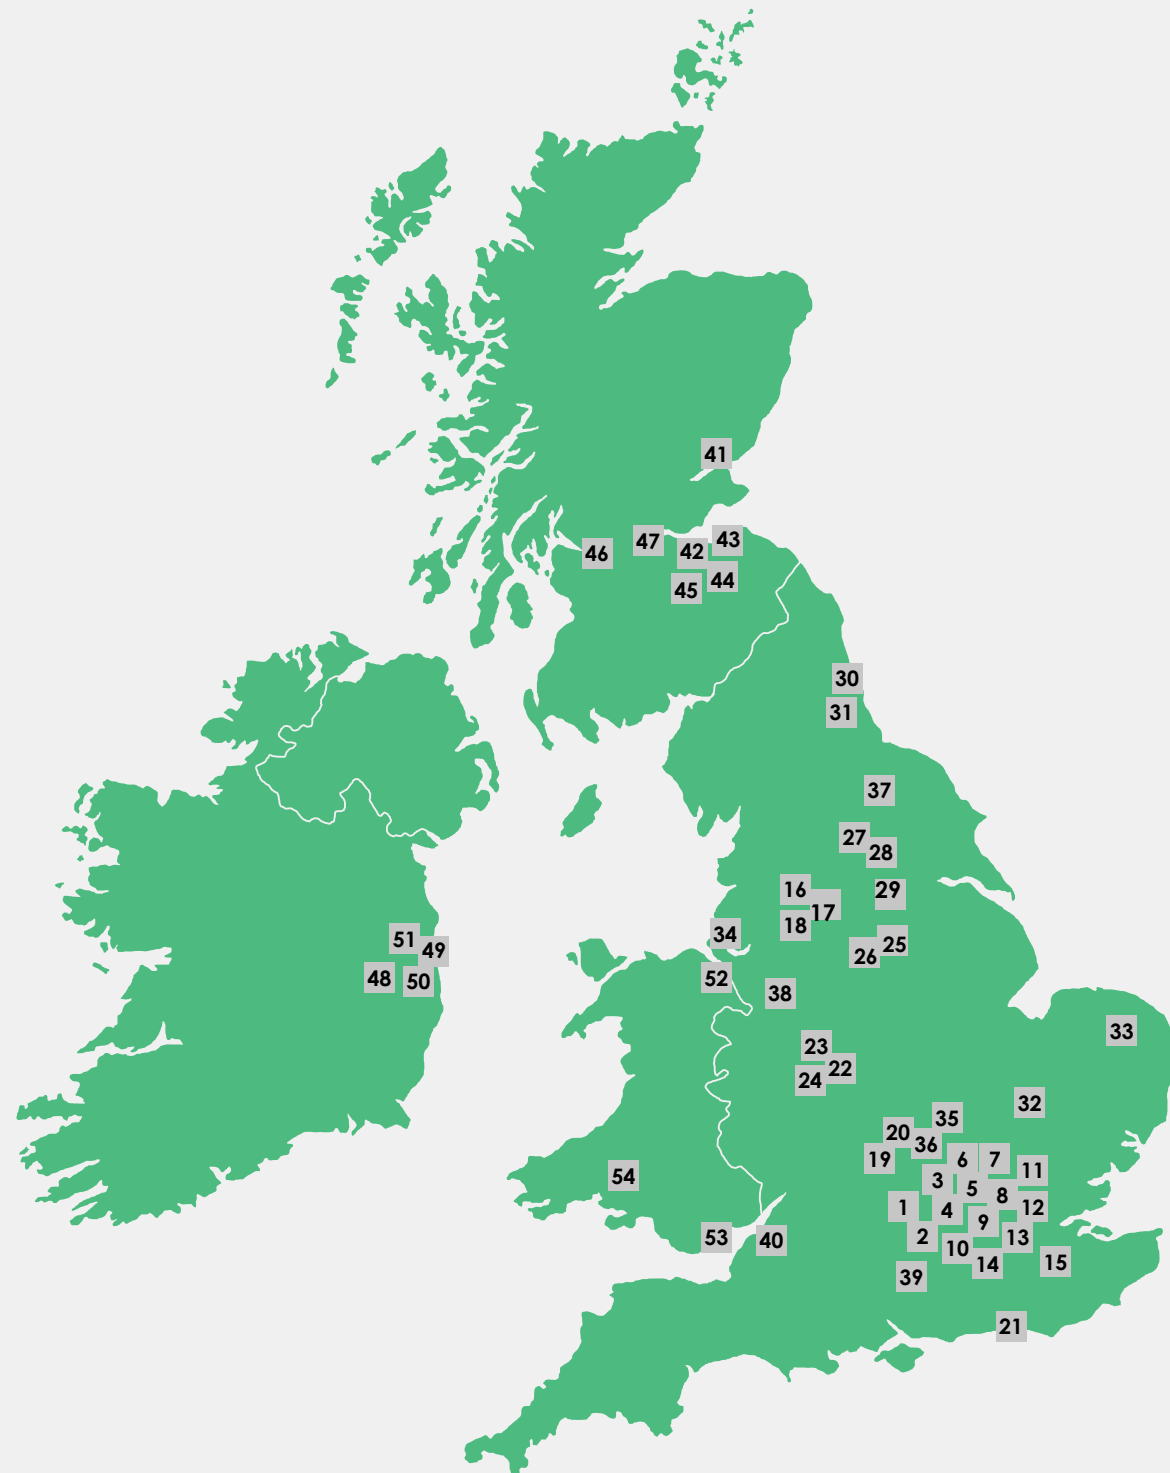

Directly Employed

Workforce

One of Vetter UK's unique differentiators is our team of directly employed, highly skilled and loyal operatives, all of whom have been with us for many years. They are fully mobile and capable of attending projects in any part of the UK.

We train and continually develop the skills of every member of our incredible team which enables us to offer only the highest level of quality and workmanship to our clients. You can rely on up-to-the-minute expertise and the professional pride of a team that 'goes the extra mile' on every project.

Our Services

We work across all sectors, providing a leading- edge product portfolio and a full range of services that includes:

- Initial technical, design and cost advice
- Material selection and sourcing
- Testing
- Procurement
- Manufacture
- Site management
- Delivery and installation

While our history is in natural stone, we have extended our current portfolio to include terracotta, ceramic granite, GRC and PCC for cladding solutions, as well as conglomerate, ceramic and terrazzo for flooring.

Quality assurance: accreditations

We hold the following accreditations:

- ISO 9001
- ISO 14001
- ISO 45001
- Full member of the Stone Federation Great Britain

Embassy Court, London

New Build

Cladding, Flooring & Internal Fit-out

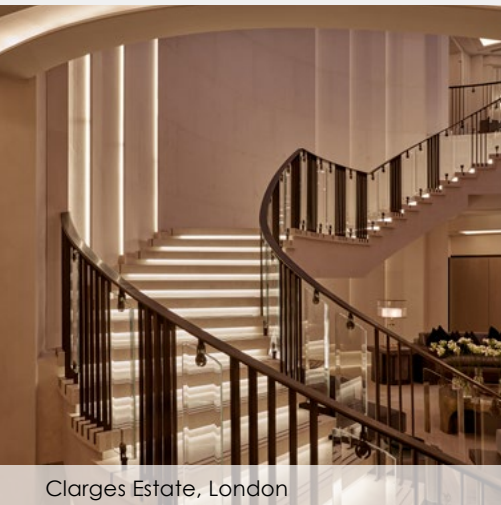

We've built a reputation for providing a first-class service and the highest quality of workmanship on a wide range of the most complex projects. Each solution is created by our specialist in-house technical team and installed by our highly experienced directly employed workforce.

Externals

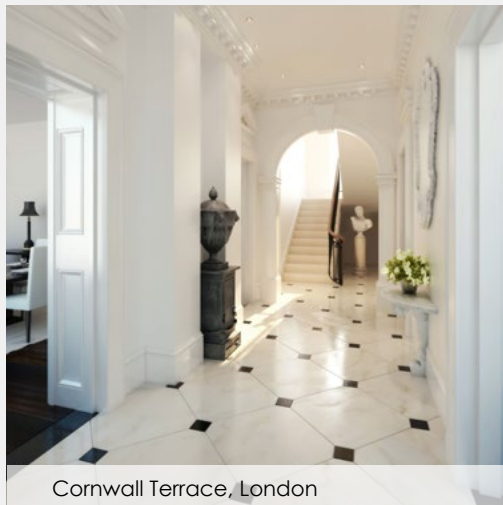

We deliver external cladding and full wall build-up from the supporting structures.

Internals

We undertake flooring, wall cladding and linings, bathrooms, swimming pools, spas, wet rooms and staircases.

Hard Landscaping

Our specialist team is here to advise on the most appropriate materials for any particular project, based on your performance criteria and aesthetic needs.

We provide the complete hard landscaping solution for our clients including:

- High specification natural stone paving and other hard materials
- Water features
- Street furniture
- Planters
- Steps
- Ramps
- Drainage

We've built a vast portfolio of bespoke hard landscaping over many years – from Heathrow's Terminal 5 Interchange Plaza, to the complex Penrose paving at Oxford Maths Institute, the custom water feature and paving at Sheaf Square, Sheffield and for Jaguar Land Rover, Gaydon.
